Thyroid Disease Detection

Created By	Rakesh Uikey
Document Version	1.0
Last Revised Date	14/12/2022

Training: Model training through Postman API

Home Page:

The screenshot shows a web browser window with the URL `thyroiddiseasepredictionapp-env.eba-g8usmirb.us-west-2.elasticbeanstalk.com`. The page features the iNeuron logo at the top. Below the logo, the title "Thyroid Prediction Using Machine Learning" is displayed. The main content area includes a text input field labeled "Enter absolute file path." and three blue buttons: "Bulk Prediction Using Custom File", "Bulk Prediction Using Default File", and "Click To Predict For Single Record". To the right of these buttons is a large white box labeled "Prediction Results". At the bottom of the page, there is a footer with links for "About", "Contact", and "Privacy Policy", and a copyright notice: "© RAKESH UIKEY 2022. All Rights Reserved."
